January 27, 2022

Greetings!

This letter serves to certify that **Taranjeet Singh** from **Delhi Technological Universit**y has successfully completed 1 month *(Dec 27 2021 - Jan 27 2022)* at our company, as a **Full Stack Developer**.

Our company's program includes training and all-round development of the candidate which he had the privilege to experience. He showed enthusiasm in learning and involved himself in every task.

During this program he gained holistic understanding of the mechanics that are involved when developing a product as well as its deployment resulting in more strategic thinking. He demonstrated outstanding skills with a self-motivated attitude to learn new things. His performance exceeded expectations and was able to complete multiple projects successfully on time.

We wish him all the best for his future endeavors.

Best regards,

Anuj Pawar
